FILM/FX™ Loop water effect

PRODUCT DESCRIPTION

SX4® Loop Tray

- For theme parks, display & theatrical applications
- Slides into SX4® Case mounted in ETC Source Four™
- Over 40 pattern loops available off-the-shelf
- Custom pattern loops available
- Integrated speed control and reverse switch - Integrated control can be used with a dimmer for mastering a group of SX4® units and for control from a light board.
- Pattern loop life span is 4,000 hours of continuous use - ideal for theme park and retail applications

The SX4® Loop Tray is designed to fit into the SX4® Case which is attached to an ETC Source Four™ fixed focus Ellipsoidal spotlight (see SX4® Case Specifications). The Loop Tray will accept a continuous loop pattern. The speed and direction of the loop are varied with on board controls and the speed can also be controlled from a dimmer. With a large number of off-the-shelf effects using GAM FX/Loops you can quickly create a variety of different projected images.
