# GAMFLOOR™

SELF-ADHESIVE VINYL FLOOR COVERING

INSTANT FLOOR FINISH FOR YOUR SET, STAGE, STUDIO OR DISPLAY

- TEMPORARY VINYL FLOOR COVERING
- AVAILABLE IN 48 inch x 100 foot ROLLS AND 48 inch x 50 foot HALF ROLLS
- USE IT, REMOVE IT, SAVE TIME AND MONEY

A durable self-adhesive vinyl floor covering available in a variety of matte and gloss colors. Flexible enough to conform to moderate contours and can last for months, after which it can be easily removed and discarded, leaving no residue. The 4 mil thick vinyl finish is dyed through, producing matte finishes much softer and gloss finishes much shinier than paint. Its dense opacity covers any color with **no drying time** or toxic paint odors. GamFloor™ eliminates messy clean-ups and can be applied to most smooth vertical and horizontal surfaces; concrete, vinyl, wood, painted finishes, glass and plaster. 1,000 sq ft of GamFloor™ can be applied in about one hour and **walked on immediately** after application. In 10 minutes GamFloor™ can be removed, restoring the original surface, quickly, easily, and economically. Parties, Displays, Photo Shoots, Stage and Studio Sets are just a few of the applications for GamFloor™.
